THIVAKAR K

Full-Stack Developer

Erode, Tamil Nadu |+91 7604864616 | k.thivakar.btech.it@gmail.com | linkedin.com/in/thivakar-k-b73b8737a

CAREER OBJECTIVE

To turn my programming knowledge into practical software solutions and build a strong career in software development. With a foundation in Java, Object-Oriented Programming, SQL, and web technologies, I aim to solve real-world problems, continuously improve my skills, and contribute effectively as a reliable software professional.

EDUCATION

- **M.P. Nachimuthu M. Jaganathan Engineering College, Erode** **2023–2027**
  B.Tech, Information Technology – **CGPA:** 7.69%
- **Higher Secondary Education** **2022–2023**
  The Sengunthar Higher Secondary School, Erode - **Percentage**: 74.33%
- **Secondary Education** **2021–2022**
  The Sengunthar Higher Secondary School, Erode - **Percentage**: 59.00%

PROJECT

Smart Parking Slot Management System — JAVA **2026**

- Developed a Java-based parking management system to manage parking slots and records with SQL database integration.
- Implemented CRUD operations for efficient parking record management and systematic slot tracking.

Catering Order Management System — JAVA **2025**

- Developed a Java-based system to manage customer details, event bookings, food packages, and catering orders using SQL.
- Implemented CRUD operations with JDBC integration to efficiently add, view, update, and delete catering order records.

INTERNSHIP

SAN Technovation Pvt Ltd — Full Stack Development Intern **13 July 2026**

- Gained hands-on experience in Full Stack Web Development by creating responsive web pages and developing user-friendly web applications.
- Worked with HTML, CSS, JavaScript, backend technologies, and databases, while gaining practical knowledge of real-world web development practices.

Extol Tech Solution — Full Stack (Java) **27 December 2025**

- Developed practical knowledge of Java programming and web application development by working on frontend and backend integration tasks.
- Enhanced coding, debugging, and problem-solving skills by identifying errors and implementing effective solutions during application development.

TECHNICAL SKILLS

Frontend : HTML, CSS
Core Concepts : Object-Oriented Programming (OOP), CRUD Operations
Database : SQL
Programming : JAVA
Development Tools : JDBC, VS Code

CERTIFICATES

- Oracle Cloud Infrastructure Certificate — Oracle (2025)
- Cyber Security Certificate — Google (2025)
- Full Stack (Java) — Extol Tech Solution(2025)
- Full Stack Certificate — San Technovation (2026)

SOFT SKILLS

- Teamwork
- Quick Learner
- Time Management

LANGUAGES

- Tamil
- English
